Admission

- Calvary Christian Academy is open to students of any race, color, or ethnic origin.
- Prospective students should already faithfully attend Calvary Baptist Church or a church of like faith and doctrine.
- Parents who agree with the philosophy of Calvary Christian Academy and are seeking admission for their children to the Calvary Christian Academy should read the handbook and call for an appointment to meet with the administrator.
- Students must be five years old by October 15 to enroll into the kindergarten class.

Introduction

- The rules are established to benefit all the members of the school. It is for this reason that rules are looked upon as a positive part of the education process.
- At Calvary Christian Academy we have four types of rules:
 1. **Rules that prohibit known sins.**
 2. **Rules that help to establish self-discipline in the heart and mind of the student.**
 3. **Rules that promote high standards of excellence in mental, spiritual, and physical activities.**
 4. **Rules that are for the protection and general well-being of the student or the student body as a whole.**
- Rules are meant to serve the student's best interest. The administration constantly scrutinizes the rules to see if they are serving their purpose. If a parent or student has a sincere question about a rule, he is urged to contact the office.
- Any student, who is in the judgment of the administration, does not fit the spirit and purpose of Calvary Christian Academy will be required to withdraw from school.

Purpose

- The purpose of Calvary Christian Academy is to be of help to parents in raising their children "in the nurture and admonition of the Lord". The emphasis is on academics, building character, reaching the heart, and in teaching the doctrines of the Bible.
- This handbook has been produced to keep the lines of communication open. Our philosophy here at CCA is that leadership should make it easy for a child to do right and difficult for him to do wrong.

Get to Know CCA

- Calvary Christian Academy is a ministry of Calvary Baptist Church. All buildings and property belong to Calvary Baptist Church. The school administrator and all full-time teachers are staff members of Calvary Baptist Church. The Senior Pastor of Calvary Baptist Church is ultimately responsible for Calvary Christian Academy.
- **School Board**
 - The school board members are the elected deacons of Calvary Baptist Church. Deacons are elected at the annual Calvary Baptist Church business meeting by church members to a term of three years.
 - The school board is responsible for helping the Senior Pastor and administration to set budgets, tuition costs, school policies and with student discipline.
 - School board meetings are closed to the public. The current school board members are Andrew Billings, Cliff Gibbs, Ben Hadley and Dan Christner.
- **Statement of Faith**
 - Calvary Baptist Church is an independent, fundamental Baptist Church. The Bible is taught not just as a separate subject, but as the center of every subject. Our doctrines include belief in the following: the Trinity (I John 5:4-8), salvation by grace (Ephesians 2:8-9), the eternal security of the believer (John 10:28), Jesus' shed blood is the only way to heaven (Acts 4:12), the autonomy of the local, new testament church (Colossians 1:18), the Bible is given by the inspiration of the Holy Ghost and preserved for us today in the King James Bible (II Timothy 3:5-17, Matthew 4:4), the rapture of His own before the tribulation (I Thessalonians 4:16 -17), the second coming of Christ to rule and reign on the earth for a thousand years (Matthew 24:30), those saved will be rewarded for what they have done for Christ and spend eternity in a literal heaven (I Corinthians 3:9-15, John 14:1-3), and those without Christ will be judged and spend eternity in a literal hell (Revelation 20:11-15). Calvary Baptist Church stands against modernism (II Timothy 4: 3-4), worldliness (I John 2:15-17), the charismatic tongues movement (Acts 2:3-11), and worldly music and entertainment, whether "Christian" or otherwise (Colossians 3:16).
 - Calvary Christian Academy is looking for parents in agreement with these doctrines to work together in training their children to love God and to live for Him.

Open Lines of Communication

- It is of utmost importance to Calvary Christian Academy that the lines of communication be kept open between the school and our parents. To assure that this goal is to be met the following procedures are adopted:
 1. If there **is a question** or a problem the first person to contact would be the teacher. This could be done by calling the office and leaving a message or **emailing** the teacher personally. Do not just drop in **to** visit a teacher without arranging a meeting. Teachers are not expected to respond after hours. If you have an emergency or further concerns, then contact Brother Jared.

Some guidelines are as follows:

- When coming to a teacher with a problem remember that you have heard only one side of the story. If a problem is approached with a mind that has been made up and accusing or making demands, then little can be resolved or accomplished.
- A calm spirit with a mind to find out what happened and what should be the right response is necessary for the right outcome.
- Teachers and **parents need to have** a common goal.
- If parents and teachers work together, then a child will better understand what is required of him or her. Becoming defensive or unwilling to accept each one's part in the solution will not create an effective solution.

Remember

- Taking a problem to one that is not involved or a part of the solution or taking the problem to the public by way of Facebook or other social media, only complicates the problem and detracts from getting a real solution.

Communication

- We use email, text, and the CCA private school Facebook group for communication. If any of your contact information changes, please let the office know.

School Day

- Refer to the school calendar for scheduled school days, early dismissals, and vacation days.
- The school day begins at 8:15 a.m. and ends at 3:00 p.m.
- We do not have before and after school care.
- Students should not be dropped off before 7:30 a.m. or picked up after 3:00 p.m.

Transportation

- It is the parents' responsibility to see that their student has a ride to school.
- Students will not be permitted to transport other students to and from school except with permission agreed upon by the parents and administration.
- Students who participate in ball games and school field trips will ride to and from activities in a vehicle that is provided by the school unless the administrator has approved other arrangements in advance.
- Students should be dropped off by 8:10 a.m. and picked up at 3:00 p.m. at the glass doors in front of the church.
- During the school day, 8:15 a.m. to 3:00 p.m., parents should use the school entrance to drop off students, pick up students, or to come into the school.
- Please communicate with the office regarding any change in your student's pick-up plan. If there is a change, please contact the office before 2:30 pm, or send a note in with your student.
- We are very busy during dismissal so it's hard to take calls at that time. If you don't communicate, your child may not be in the correct spot and create delays.

Student Drivers

- Safety is always a high priority for student drivers. We expect our students to drive with caution and respect for others.
- A transportation form must be filled out for each student driver. If any changes need to be made, call the office.
- Only passengers who have their parents' permission and permission from the driver's parents will be allowed to travel with the student driver.
- No high school student will be allowed to travel to and from school in any vehicle with only one other high school student of the opposite sex who is not a family member.
- Cars are to be parked in a designated parking area in the back parking lot.
- Student drivers will be dismissed at 2:45 p.m.
- Cars are to be locked and will be considered a restricted area until after school or when the student is to leave.
- The administration reserves the right to restrict a student's driving privileges on school grounds, if safe driving procedures are not being observed.

School Attendance

- For a student to be considered present in school, he or she must arrive before 9:30 a.m. A student is considered present for a full day if they have not missed more than one class hour. A minimum of three class hours is required to be considered present for a half-day. A student attending less than three complete classes will be considered absent.
- Parents are strongly encouraged to schedule doctor appointments and other scheduled absences to fall on scheduled days off to avoid the necessity of their child missing school.
- Students need to see their teachers about any make-up work. Students have as many days as they have missed, plus one day to make up work. (Example: If a student misses two days, he has three days to make up his assignments)
- Under the Laws of the State of Maine a student is truant if he/she has attained the equivalence of 10 full days of unexcused absences or 7 consecutive school days of unexcused absences during a school year.
- We strongly discourage any student from being absent for any reason during the last three weeks of school.

Whenever your child will be absent, please notify the school office by 8:30 a.m.

- All students who are absent must call or email the school office to inform the administration of the absence. This is primarily to ensure the safety of our students.
- If the office does not receive communication, you will be contacted via phone or text.

Church Attendance

- Students are expected to faithfully attend, in person, one service per week of Calvary Baptist Church or another Bible-believing church of like faith and doctrine.

Medical Forms/Medication

- Students who need to take medication at school must have a medical release form filled out and in their file. This includes permission for taking Tylenol or cough drops. All medications are labeled and kept in the school office.
- CCA asks for a copy of immunizations or an exemption form which will be kept in the office in the event of an illness outbreak.

Illness at School

- Students who become ill at school should tell their teacher they are sick, and they will be allowed to go to the office.
- The office secretary will determine the extent of a student's illness and the required treatment.
- If a phone call home is necessary, the office secretary will be the one to call.
- A child will be sent home if he has a temperature of 100 degrees or above, is vomiting, or has other obvious symptoms.
- Students may return to school after twenty-four hours free of a fever or obvious symptoms.
- Specific questions should be directed to the school office.

Emergency Data

- It is important that the school be kept informed of the parents' current address, phone number, and emergency contact numbers. If there is any change during the year, the office needs to know immediately.
- **Phone numbers and emails will be kept confidential.**

Calvary Christian Academy Dress Code Guidelines: revised January 17, 2025

A school dress code is important for several reasons:

1. It sets minimum standards for modesty.
 2. It is widely recognized that behavior is related to dress.
 3. A proper climate for learning demands that attire be appropriate for the classroom.
- We desire our students to be clean, well-groomed and to dress neatly and modestly. All garments should be neat, clean, ironed, and in good repair, not ripped or torn.
 - Most dress code violations are demerit offenses; however, if necessary, a student may be asked to leave the school or school activity until they are within the dress code of the school.
